

RESULTS FOR THE GILBERT'S CYCLES
ESTATE AUCTION, SEPTEMBER 16TH 2005

Auctioneer's note: I have included just the complete or interesting motorcycles. I have omitted many partially disassembled machines that were sold that do not reflect any market values. The condition codes will be a bit different than we normally publish as all of the bikes had been in storage for about 30 years. All of the bikes needed cleaning and service, but many were extraordinarily well preserved at the dry 6,500-foot altitude. Prices do not include the buyer's premium.
